

Meet Sparky's big brother...

W A G E N E R
Leon

Built to work hard and stand the test of time

www.wagenerstoves.co.nz

Wagener *Leon* Multi-Fuel

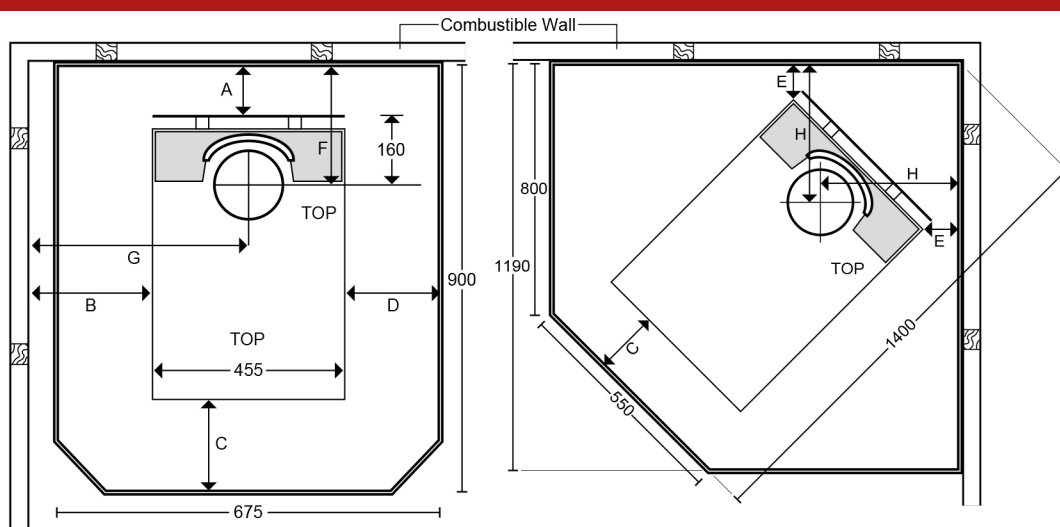

Wagener Leon is Sparky's big brother and shares many popular "family" features with the addition of a much increased heat output of 16-18kw, an optional 3kw wet back delivering plenty of hot water and a fixed log box base for wood storage. Leon has been designed and handcrafted by the Wagener team and powerfully built to work hard and stand the test of time.

This big friendly guy will keep you warm and cosy on the outside while he boils your kettle for a cuppa or cooks a pot of soup or hearty stew to warm your insides too. Leon can also be fitted with optional top rails for added safety while cooking and when fitted with an optional "Lion" wetback he can deliver plenty of power saving hot water.

Features Include:

- Modern Clean Burning Technology
- Cooking Surface
- Brick Lined Firebox
- Ashpan & Grate
- Solid 5mm Steel Construction
- Removable Baffle
- Log Base Wood Storage
- Ash Hearth Floor Protector
- High Temp Paint Finish in metallic Black
- Colour options available
- Optional "Lion" Wetback
- Optional Top Rails

Installation Clearances as tested to AS/NZ Standard 2918:2001

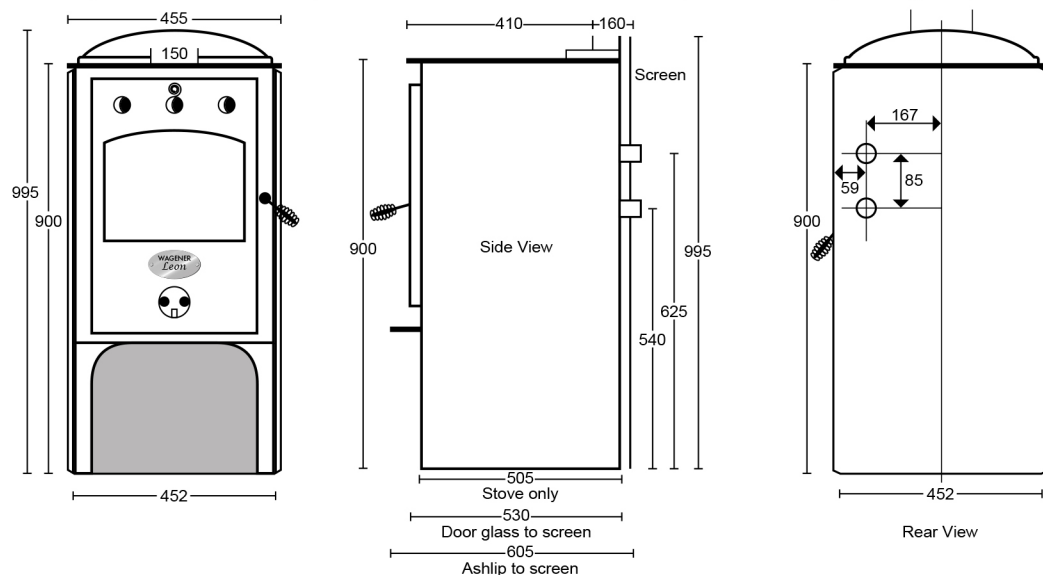

Requires Ash Hearth Floor Protector Only

Wetback pipe height: 540mm & 625mm

Minimum clearance to Combustible Surfaces	A	B	C	D	E	F	G	H
With a capped single stainless steel flue shield to unprotected wall	90	410	300	110	210	250	638	455
As above 12mm Promina board spaced 25mm off wall	37	119	Floor protection must extend under the stove and forward 300mm and extend 200mm either side of the door opening		61	187	347	311
As above with sheet metal any type 0.5mm or thicker spaced 25mm off the wall.	27	123			63	187	351	313
Sheet metal as above 2 sheets spaced 12mmx12mm	25	82			42	178	310	292

Other screening materials are available and clearance factors can be calculated to the AS/NZS 2918:2001. Please ask your retailer or contact Wagener Stoves if you need further advice.

Heat Output

The Wagener *Leon* generates a comfortable 16-18 kw (estimated) heat output. A 3kw "Lion" wet back can be fitted to heat your hot water.

Enduring Quality & Design

Leon is New Zealand designed and handcrafted by Wagener Stoves using only the best quality materials with a special High Temperature paint finish in metallic black.

Warranty

Leon's firebox is covered by a 5 year warranty (Please refer to Installation & Operating Instructions for full details).
